

FARMINGVILLE HILLS EASTER EGG TRAIL HUNT

The Farmingville Hills Chamber of Commerce, Inc. was formed in 2011 to advance the general welfare and prosperity of the Farmingville area so that its citizens and its business community shall prosper. The Farmingville Historical Society was formed in 1992 to preserve and restore the Bald Hills Schoolhouse, a one-room Greek Revival Schoolhouse built in 1850, serving the Farmingville Community until 1929. The Schoolhouse is located next to Farmingville Hills County Park, a 102-acre park that serves the community with nature and hiking trails.

The Chamber of Commerce and Historical Society are partnering on a new '**Farmingville Hills Easter Egg Trail Hunt**' that focuses on building community, exposing our local trails, teaching local history, and creating a fun, outdoor event for local families.

Families will pre-register at a select time on April 9, 2022 (rain date April 10, 2022) between 11AM-2PM. They will embark on an Easter Egg Hunt through Farmingville Hills County Park with educational, history-based clues that guide them to the next stop. Each stop will include an Easter Egg Hunt. Kids will collect a certain # of colored eggs. The last stop will be at the Historic Schoolhouse. They will recycle their plastic Easter Eggs back in exchange for a chocolate Easter Bunny and special gift, and take a picture with the Easter Bunny. We are inviting you and your business to become a part of this exciting event!

Sponsorship Levels

\$750 Big Hopper Sponsors: Opportunity to host a 10x10 tent at the event that promotes your product or service. The tent must include something for families and kids. For example, at The Farmingville Historical Society Trick or Treat Trail event, a local real estate person sponsored a picture tent and hosted a costume contest while promoting her services. The Sachem Public Library gave out free trick-or-treat bags while engaging families about their services. Your tent idea must be pre-approved by the event committee chairs. Name/Logo listed on the event web pages. Signage at 5 of the Easter Egg stops. Included in at least 3 social media and email marketing campaigns.

\$250 "Promotional" Sponsor: Lawn sign at 2 of the stops. Name/Logo listed on the web pages. Inclusion in one of the social media and email marketing campaigns.

In-Kind Food/Product Sponsorship: 200-250 Chocolate Easter Bunnies.

To sponsor, complete the form below and make checks payable to *Farmingville Hills Chamber of Commerce*.
